

THE WEDDING PAINTER

My passion in life is to bring color to blank walls everywhere one stroke at a time. Mom is the one who inspired my artistic talent. My wife is who encouraged me to start painting again later in life. I love the Ala prima style of painting, to capture the colors of nature with one bold stroke. I have studied with such artists as Quiang Huang (Chong Wong) Calvin Liang and many others. I Paint regular with my peeps from "The Palette of Roses Art League". I thank you for your support and my Lord for the talent he has given me. I look forward to capturing your special event for many years of enjoyment. I show my work on the web and at Gold Leaf Gallery Tyler TX . Check It out at: www.douglascarter.blogspot.com.
